**CONSERVATION COMMISSION**

**Tuesday, August 4, 2009**  
**Meeting**

A regular meeting of the Nashua Conservation Commission will be held Tuesday, August 4, 2009 at **7:00 PM**, Room 208 City Hall 2<sup>nd</sup> Floor, 229 Main Street.

- A. Call to order**
- B. Roll call**
- C. Approval of minutes for:**
  - July 7, 2009
  - July 14, 2009 Heritage Trail site walk notes.
- D. NCC Business & Communications:**

From: New Hampshire Department of Environmental Services (NHDES)  
RE: File Number 2009 – 01102  
Shoreland Application  
Tax Map/Lot –77 -3, 10, 11 location at 5 Pine Street Ext. The letter explains that the Shoreland application filed can not be processed as a Shoreland Permit. The project is within 100' of a designated Prime Wetland, and therefore would be processed as a Wetland Permit.

From: New Hampshire Department of Environmental Services (NHDES)  
RE: File No. 2009-01514  
Shoreland Application  
Tax Map/Lot – 6-72 location at 12 Charlton Circle. NHDES is acknowledging the receipt of an application for a Shoreland permit.

From: New Hampshire Department of Environmental Services (NHDES)  
RE: Wetland Bureau Files # 2009-01495 and 2009-01494  
Tax Map/Lot – C-2768, 2880 and 2881 location at 85, 88, and 90 Cherrywood Drive. NHDES has found deficiencies with the construction and the applicant have been given until July 24, 2009 to correct the issues stated in the letter dated July 17, 2009. These deficiencies are for the Rosewood Estates subdivision.

From: Gary Flaherty, Wetland Scientist  
RE: Letter to Dale Keirstead, Wetlands Bureau dated July 20, 2009 regarding 743 West Hollis Street, Deschenes's residence, with plan and photographs. The Conservation Commission approved this application on January 20, 2009.

From: Pete Beisler, Biologist, Aquatic Control Technology, Inc.  
RE: 51 Berkeley Street - Richard Foemmel (owner). Photographs received, July 31, 2009, this property was discussed at the March 4, 2008 Conservation Commission meeting.

**E. Old Business:**

1. City of Nashua. (Owner) – City of Nashua (Applicant). The project involves the following locations – 2 Court Street, 4-6 Cottage Street, Pearson (Heritage Trail). The City of Nashua is proposing to extent the 1.6 mile loop along the Nashua River. The project will impact approx. 3,560 sq ft of the Nashua River 75' foot prime wetland buffer. The Nashua River is protected under the Comprehensive Shoreland Protection Act (CSPA).

**F. New Business:**

1. BAE Systems. (Owner) – Timothy Ferwerda CWS, Meridian Land Services (Applicant). 65 Spit Brook Rd, Sheet A, Lot 12. A pond, approximately three (3) acres in size is located along a section of the driveway (entrance road) in the BAE facilities. The project is to resurface the entire length of this roadway. There will be approximately 1,220 Sq Ft of temporary impact to the 40' buffer of a pond which at some points is within 15 to 20' from the roadway.
2. West Hollis Street- Jenson Trailer Park, Jenson's Inc. (owner) – James Petropulos, PE, Hayner/Swanson, Inc. (Applicant). The propose of this project is to construct certain sewage and water line within the existing manufactured housing development. The work will be preformed with in the 75' buffer of the Nashua River. The Nashua River is protected under the Comprehensive Shoreland Protection Act (CSPA).

**G. General Discussion**

- Project update on the Nashua River Watershed Association' Progress Reports for Parcel # 15, 31, 48, 50, 52, 77 and, 78. Easement # 16 progress report has been submitted in final form.
- Discussion on a future date to tour Heritage Trail
- Discussion on arranging a future date for a CC service day- clean-up
